

## **Workshops**

- Workshop I Nuclear structure – chromatin I
- Workshop II Nuclear structure – chromatin II
- Workshop III Nuclear structure – nucleolus
- Workshop IV Nuclear structure – nuclear lamina
- Workshop V Nuclear function - replication / DNA-repair
- Workshop VI Nuclear function - transcription / RNA-processing I
- Workshop VII Nuclear function - transcription / RNA-processing II
- Workshop VIII 57<sup>th</sup> Symposium of the Society for Histochemistry
- Workshop IX Nuclear function - transcription / RNA-processing III
- Workshop X Emerging techniques - tools for assessing nuclear structure and dynamics
- Workshop XI Nuclear pathology
